Sun, 18 Nov 2018 15:33:00 GMT When The Cows Come Home - lionandcompass.com - When the Cows Come Home traces changes in the design of barns from the eighteenth century forward, paying special attention to ethnicity (both of barn builders and cows) and how design of the interior space of barns affected bovine sociability (the interactions among cows, both inside and outside barns), the control of cows by their human owners, and the interaction of cows and other non-human animals (cats, horses, flies). Yet the book does much more than the title suggests. Sun, 25 Nov 2018 21:37:00 GMT When the Cows Come Home: Barn Architecture and Changes in ... - The cows had all come home. The milkmaid's faith had not failed. The happiest people in the world, and the best, are the people who go through life as the milkmaid goes through the day, believing that before night the cows will all come home.
